“Dear friends, let us love one another because love comes from God ... Whoever does not love does not know God, for God is love. And God showed his love for us by sending his only son into the world so that we might have love through him. ... The command that Christ has given us is this: all who love God must love their brother and sister also”

Norton juxta Twycross

Our village is jubilant that the proposed plan to build 10,000 houses on our doorstep, known as Norton Heath, has been removed from the local plan. We are so grateful to the wonderful Norton Heath Development Opposition Group for all their hard work in fighting this proposal from every angle possible. Thank you so much, and for the con-

tinuing work you are proposing to secure this decision. We are all proud of you.

Church News

Unfortunately the wood church noticeboard is rotting, so the doors are blowing open in windy weather. We apologise that papers have subsequently littered the village.

As our congregation is very small, and maintenance of this medieval building and the grounds is costly, we thank villagers for your continuing support. We have a few events planned (see below) to help fundraise towards masonry repairs to the churchyard wall, tower roof etc. and towards a new noticeboard.
